SUMMER LESSONS

Note: Summer Lesson amounts above (July and August) are only an example based on one lesson per week.

Due to the nature of July & August being holiday months for many people I offer a **Flexible Summer Schedule** for students who wish to continue lessons but will be away on holidays at times throughout summer. This allows you to sign and pay for only the lessons you are available for. I also offer a **Summer Discount & Lesson Guarantee** for all students who sign up for and pay for both July and August in full. Even if you have to miss a lesson or two for holiday reasons, I guarantee you will receive those lessons at another convenient time throughout July/August. Many students like to take advantage of this offer because it's like getting one lesson free over the 2 months and they can continue to make progress with their learning and playing during a time when many students have extra daily hours of free time.
